Dear Mr. Stewart,

The Forest Service hereby grants permission for Duhring Resources Company, to fell, skid, and deck all designated timber, on its proposed "OGM Case 595" located on National Forest lands in Warrants 3672, Jenks Township, Forest County, PA.

This authority is granted, subject to the attached Agreement dated May 1, 2008, which Duhring Resources Company, agrees in writing to abide. The authority to fell trees without payment is vested in Title 36, Code of Federal Regulations, Part 223, Section 12. Duhring Resources Company's proposed project is an authorized occupancy of National Forest lands.

The decision to grant permission to fell trees in advance of payment, is based on later sale of the felled forest products, and is at the sole discretion of the Forest Service.

Any questions related to the felling and decking of the designated timber should be directed to Mr. David Cotterman, Timber Sale Administrator on the Marienville Ranger District.

Sincerely,
