Subject Wetland Issue

Paul,

I just wanted to be clear that our meeting last week with Arthur Stewart involved a compromise over the well site locations and was not an agreement on my part over the wetland issue. There is still a difference of opinion on the issue. I will send a letter to explain what was agreed to at that meeting.

As discussed, we need to get together on July 3rd to discuss this issue and hopefully come to an understanding between the Forest Service and DEP. I look forward to working with everyone to get this taken care of. If you have any questions, let me know. Thank you.
