Star Route 2, Box 130  
Marienville, PA 16239

Dear Mr. Miles,

Duhring Resource Company is planning to rehabilitate some of its existing wells, and prepare locations for wells to be drilled in Warrant 3672, Jenks Township, Forest County. I have enclosed the proof of ownership, the plan of operations, topographic maps, an E&S plan, Surface Owner Notification, and the designated field representative for this project. The centerline of the proposed roads, as depicted on the Site Map, has been marked in the field with pink flagging. Transmission lines will be located in or adjacent to the new and existing roads. I believe Arthur Stewart from Duhring has spoken to you about this project.

Please give me a call if you need any additional information. Thank you for your help with this project.

Sincerely,

A handwritten signature in black ink that reads 'Philip L. Hampson'. The signature is written in a cursive style with a large initial 'P'.
