RE: Bid Package for Decked Timber on Warrant 3672

Dear Mr. Fallon:

I would like to obtain copies of the various documents associated with the recent sale of the captioned timber (meaning the timber that was cut, skid and decked by Duhring). I believe these documents would include the bidding prospectus prepared by the Forest Service, the various bids submitted by the bidders, the reports or tabulations of the bids, and the contract that was executed with the successful bidder. If there are any other related documents, I would appreciate copies of those as well.

If there is a charge for photocopying, I will be happy to pay the same.

Very truly yours,

Arthur J. Stewart
