Dear Mr. Jackson,

The Forest Service is in receipt of payment from Duhring Resources Company for a Commercial Road Use Permit (RUP) for access via Forest Road 387 to plug one well north of Millstone Creek. As the contractor for Duhring Resources Company, this is your Notice to Proceed with your well-plugging operation on this well, via FR 387 and the road you have constructed from FR 387 to the well site. I remind you of your requirement to fully rehabilitate the road you have constructed in accordance with the conditions I outlined in my letter earlier today.

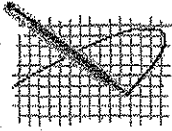

Thank you for stopping in the office today and taking the time to address this situation personally. I hope we can avoid a recurrence of this situation in the future, and I look forward to working with you again in more positive circumstances.

Sincerely,

*/s/ Robert T. Fallon*
