Dear Mr. Stewart:

I am writing in response to your April 30, 2008 letter. It is my understanding from your letter, and in visiting with my staff, that progress has been made in identifying specific terms and conditions applicable to Duhring Resource Company's actions to cut, skid and deck National Forest timber on Lot 8 and Warrant 3672.

In regards to specific inquiries raised in your April 30th letter, I ask that you please continue to work directly with the District Rangers and their designated representative regarding these questions. Information pertaining to Operating Plans may be found in Forest Service Manual 2831 and 2832.

Sincerely,

LEANNE M. MARTEN
Forest Supervisor
