Subject Meeting with Arthur Stewart

We have set up a meeting with Arthur Stewart for Thursday, April 3 at 7am at Duhring Resources' headquarters in Sheffield (located at the end of Elk St. in the old Sheffield Timber Service building). Tony and I plan to discuss with Mr. Stewart the options for removing timber from Lot 8 and Warrant 3672, and we would like the following folks to accompany us, if possible ... Randy Durner (as the likely administrator, to review details of any agreement), Dave Cotterman (as the likely field inspector for any agreement), and Paul Weese (OGM program manager). We may want to conference on Wednesday to assure we have a good idea of what we wish to propose to Mr. Stewart on Thursday, and how long it will take us to finalize any agreement. I suggest a conference call at 2:30pm, using the regular conference call #. Please RSVP as soon as possible. Rob.
