CONTRACT PROVISION	LOCATION	COMMENTS, APPROVAL, AGREEMENT OR BRIEF DESCRIPTION OF WORK OR ACTION NEEDED TO MEET CONTRACT REQUIREMENT
		There has been no activity from either the timber purchaser or Duhring Resource. Stone Aprons have not yet been installed and pipeline installation has not begun. Road template is snow covered and semi frozen in some places, bare and wet in others.
		I have received several phone calls from purchaser representative Ben Harvey expressing concern over damage to Duhring Resource stone apron improvements. Mr. Harvey has yet to inform the Forest Service of their time frame for returning to remove decked material.
		I received a phone call this date from Mr. Stewart, Duhring Resource, of their intent to return to lease area to begin pipeline installation during the next snow free period..
		cc: CO, FSR, DR, LEO

Approval as used herein relates to those work items which require Forest Service Approval. It does not mean final approval under BT6.35 / BT6.36, Acceptance of Work, unless specifically indicated as such.
