CERTIFIED MAIL – RETURN RECEIPT REQUESTED

Dear Ben:

The termination date of the OGM Case 595 Deck Timber Sale, Contract #02-155952, awarded October 17, 2008, on the Marienville Ranger District is March 6, 2009. All included timber has been removed from the sale area but it is apparent that any remaining required on-the-ground work or other contractual requirements will not be completed by the termination date due to weather and existing ground conditions.

Be advised, your contract term is adjusted from March 6, 2009 to June 15, 2009. This extra time is a contract term adjustment and is only for you to complete your remaining contractual obligations. This extended period of time is to allow for seasonal weather and drying conditions in order for you to complete your work. No products may be removed from the sale area during this period.

If you have any questions, please do not hesitate to contact us.

Sincerely,

RANDALL A. DURNER
Contracting Officer
