OGM Case Number: E-028-05/08

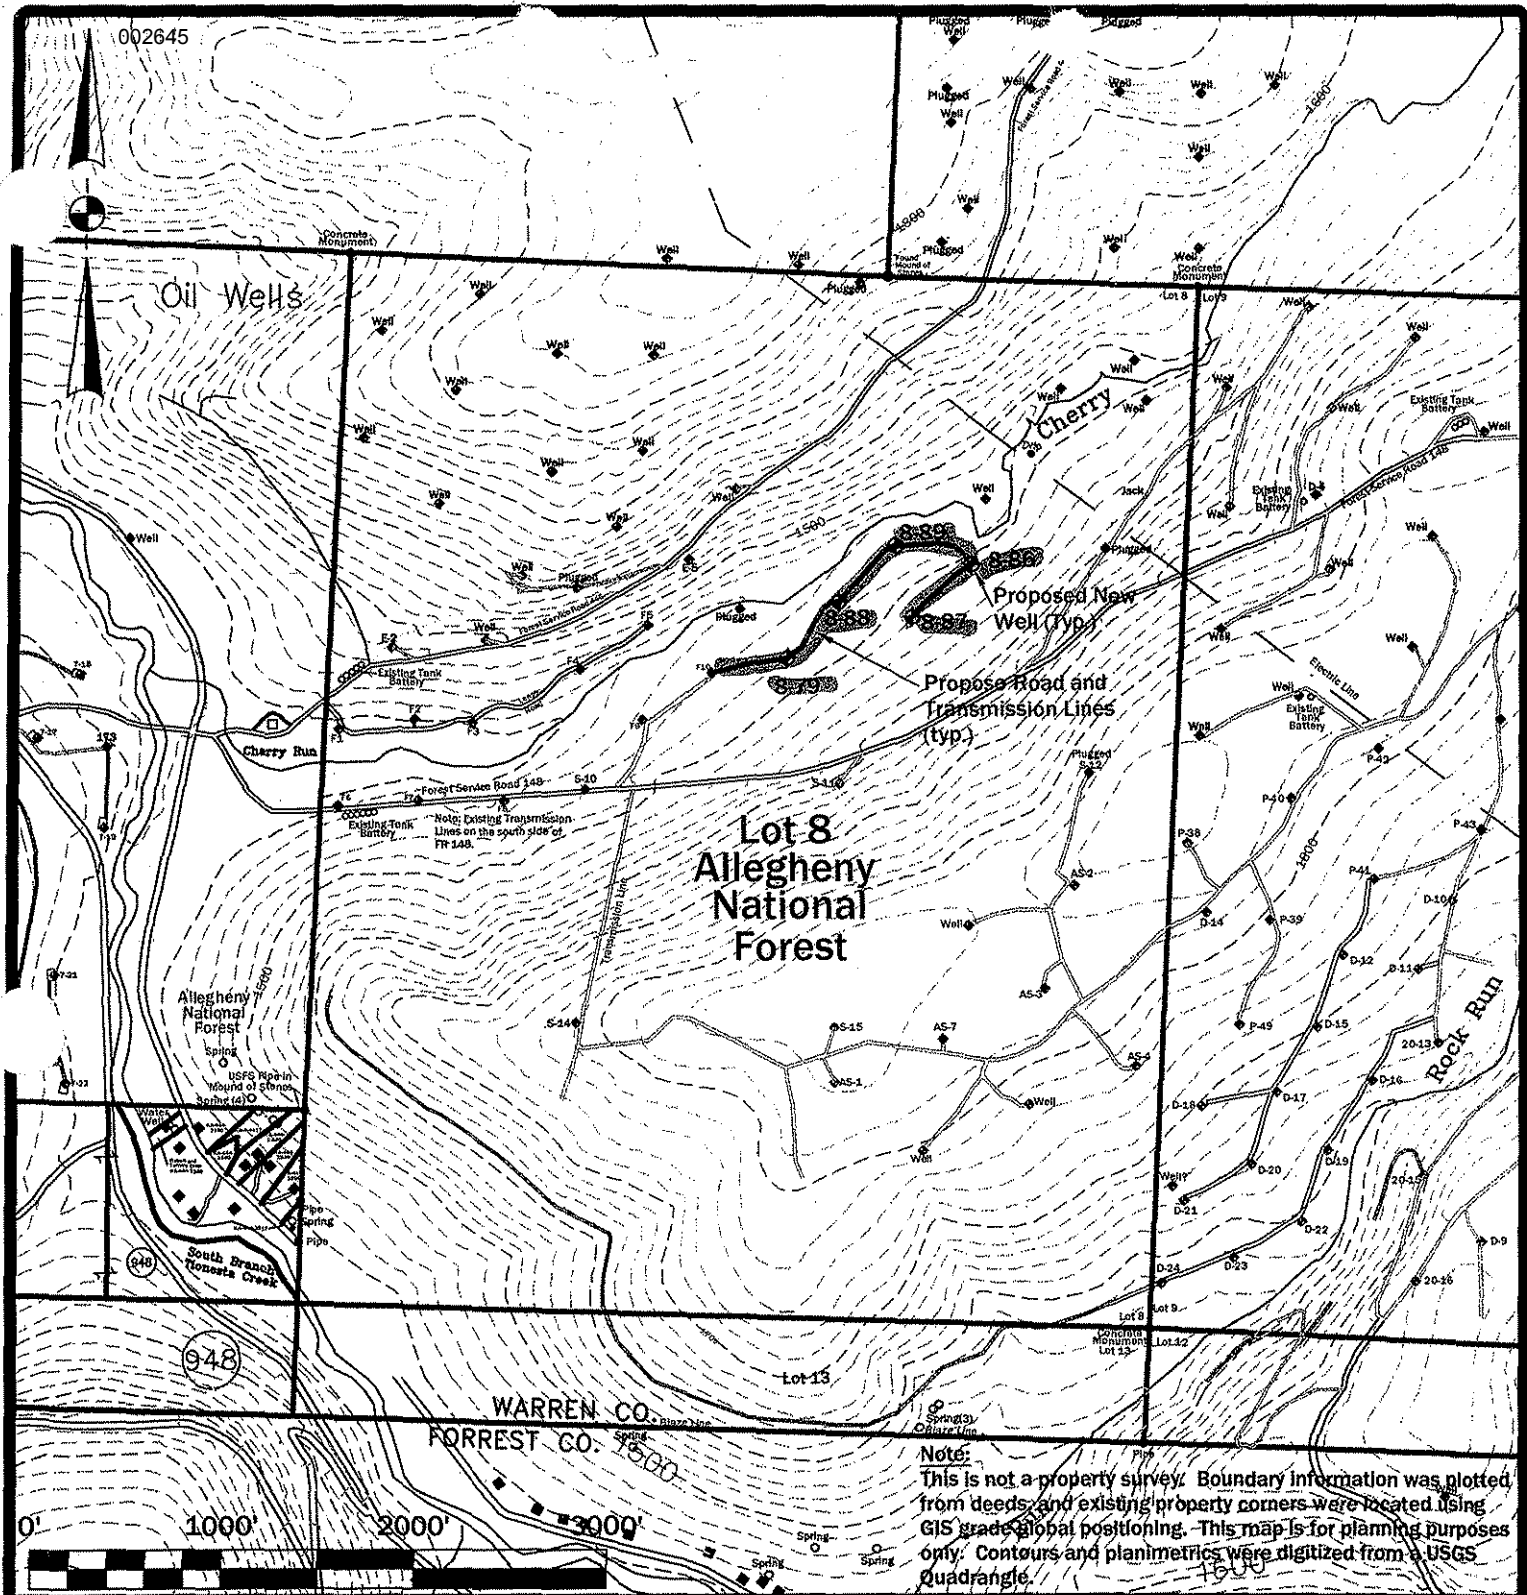

OGM Operator: Duhring Resource Company

OGM Administrator: Sheldon Winters

All Paperwork Received: 5/12/08

Project Description/Remarks: Duhring Resource Company is planning to develop 5 oil well locations and access roads in the ANF, Lot 8 (Warrant 2752), Sheffield Township, Warren County. Access to the five proposed wells is off of Forest Road 148 along Cherry Run. The tank battery is existing along FR 148 and all transmission lines are proposed to follow newly constructed roads. There are no cross country pipelines or stream crossings in this proposal.

Note:
 This is not a property survey. Boundary information was plotted from deeds and existing property corners were located using GIS grade global positioning. This map is for planning purposes only. Contours and planimetrics were digitized from a USGS Quadrangle.

Scale: 1" = 1000'
