CONTACT: Duhring Resources

Name: Arthur Stewart

(Address) _____

(Telephone #) 968-3337 / 723-3445

Contact was made: by telephone X by email in person other

SUBJECT OF CONTACT: _____

Arthur Stewart called 7/17/08 to say that M139 is a go to have marked. He is going to stay with the Pipeline layout from the TB to Duhring No. 11.

I sent maps to BJ to have the resource crew to start marking this project along with well # 20 which wasn't marked in the last project.
