Mr. Arthur Stewart
Duhring Resource Company
203 Center Street
P. O. Box 726
Sheffield, PA 16347-0726

Dear Mr. Stewart:

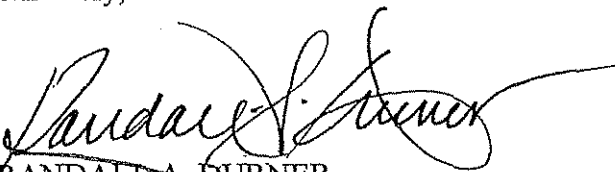

This letter is in reference to Duhring Resource Company's OGM Case #M139 Timber Settlement Sale awarded as Contract # 02-155788 on August 4, 2008, on the Marienville Ranger District of the Allegheny National Forest.

Our records indicate that the 2400-4 settlement sale contracts accompanying the award letter have not been signed and returned; therefore no Bill for Collection was forwarded to Duhring Resource Company for the timber value of the contract.

If Duhring Resources remains interested in developing this project, please execute and return both copies of the contract. The Contracting Officer will approve them and return an original to Duhring, along with a Bill for Collection for the value of the timber. Upon payment for the timber, District Ranger Anthony Scardina can issue a Notice to Proceed for this project.

Questions relative to the OGM settlement contract can be addressed to Contracting Officer James Campbell here in the Supervisor's Office at (814) 728-6183. For questions relating to the Notice to Proceed, contact Ranger Scardina at (814) 728-6115.

Sincerely,

RANDALL A. DURNER
Contracting Officer
